SELLING HOUSES AUSTRALIA

LIFESTYLE HOME / 9.30PM

Karen's trying to sell her beautiful old 19th century house in Ballarat. Trouble is, there's a whopping great spa bath in the

living room. And, as Shaynna points out, the lounge "looks like a nursing home". Unfortunate. Luckily the team are on hand to transform this stately old home, and it scrubs up all right. Nine series in, I'm still loving this show.
